**MOTION TO REQUEST E-FILE  
ACCESS**

Case No. 2:11cv00558 CW

Judge Clark Waddoups  
Magistrate Judge Samuel Alba

According to the Utah Courts website, Plaintiff must be an attorney in order to file documents electronically. Plaintiff is requesting she be granted access to electronically file documents for the following reasons:

1. Plaintiff is representing herself, essentially acting as Plaintiff's attorney.
2. It is an extreme hardship on Plaintiff to drive 20 miles to the courthouse and 20 miles to return home every time Plaintiff has to file a motion or respond to such.
3. Plaintiff has a broken foot and it is an extreme hardship to find someone to get the documents from Plaintiff and go to the courthouse for her.

4. Plaintiff has a broken foot and it is an extreme hardship and against doctor's orders to walk significant distances and/or up and down stairs which is required of Plaintiff if she is unable to find a third party to file the documents for her.
5. Defendants have an unfair advantage over Plaintiff by having the ability to e-file documents while Plaintiff does not.
6. Defendants argue in their Opposition to Appointment of Counsel that "because Ms. Majors is sufficiently law trained that she believes she should be awarded her degree without further study or effort on her part *Hill v. SmithKline Beecham Corp.* argues that she should be allowed to use her education and represent herself", Defendants indicate their willingness to treat Plaintiff as an attorney.
7. Thus, because Defendants argue that Plaintiff should be treated as an attorney and because Plaintiff is at an extreme disadvantage by not having the ability to electronically file documents and because Plaintiff has suffered a medical injury,

Plaintiff should be granted e-file access.
